Arrested For Murder of Miss Reichlin

After Bloodhounds had Been Put on The Trail.

Great Excitement Over Accusation Of Rev. F. Walser.

Fear That Citizens Would Make Some Demonstration Causes Removal of the Prisoner to Elyria—Father Walser Says, "You Have the Wrong Man."

Lorain, O., May 2—The Rev. Ferdinand Walser of Toledo, Ohio, was placed under arrest today on the charge of murdering handsome Miss Agatha Reichlin, sister of Rev. Charles Reichlin, the details of whose cruel murder were telegraphed to the Advocate yesterday.

Rev. Father Walser is now in custody charged with the heinous crime.

Blood hounds were put on the trail early this morning and ran back and forth between the rooms of Miss Reichlin, the victim and Father Walser. They paid no attention to the tracks in the yard or to the scent on the ladder by which the murderer was supposed to have reached the bedroom of Miss Reichlin. After a long conference with the county district attorney, Mayor King issued the warrant for the arrest. Rev. Father Walser was found at St. Joseph's hospital and submitted quietly to the arrest.

There is great excitement in town and it was feared that a demonstration would be made, but nothing of a lawless nature took place. Rev. Father Walser was taken to Elyria the county seat, and lodged in jail today.

A jagged piece of stone covered with hair and blood is the only tangible evidence of the crime aside from the fact that the dogs went repeatedly from the young woman's room to that of the priest. Nothing was stolen from the house of the priest, making the motive all the more mysterious.

Miss Reichlin, who was aged about 30, and was handsome, accomplished and popular, was housekeeper for her brother. Living with them was another brother, Cassimir, and at the time the crime was committed Rev. Ferdinand Walser, of Toledo, was temporarily stopping at the house. Rev. Ferdinand Reichlin was not at home, having gone to Kelly's Island to conduct a funeral.

In yesterday's dispatches telling of the crime, Father Walser's name was given as Wallace.

The investigation of the coroner told the story of a horrible struggle. The poor girl's face was literally pounded into a pulp. There were three blows on the left side of the head any one of which would have caused death.

The first was over the left eye. This crushed in the skull, and of itself would have caused death. Back of this and higher up was another which cut the scalp open in a gash two inches long. Below this and almost directly over the left ear was another, which fractured the skull, and these wounds caused breaks in the skull, all of which led together. The face was badly pounded, both eyes were discolored, three teeth were broken out of the lower jaw. The left cheek bone was broken and the right wrist dislocated, as though Miss Reichlin had been held firmly by a person much more powerful than she.

The man who was today arrested for the crime yesterday told of the appearance of a stranger in the house and of the struggle between the girl and her assailant.

Rev. F. Walser, pastor of the church of the Sacred Heart, and temporarily in charge of St. Joseph's church, Lorain, who was placed under

arrest at 9:50 this morning, was at once taken to the county jail at Elyria.

The warrant said Prosecutor Lee Strong "charges Rev. Walser with murder in the first degree in having caused the death of Agatha Reichlin. We believe from things that we learned today that there was sufficient grounds for the issuance of the warrant. Rev. Walser and Casimir Reichlin told us they retired early the night of the murder. We have positive information that at 1 a. m. or a few moments before the alleged discovery of the murder of the girl people were up to the house.

"The contradiction in statements were thought sufficient grounds for action. Also we wished to protect the priest. Feeling against him in the community has grown rapidly since yesterday. At 6 o'clock Mayor F. J. King came to his office. He immediately consulted Dr. T. L. Hickman, whose hounds had been at work on the case. Hickman told how his dogs had acted. Mayor King with the other evidence in hand believed the time for action had arrived. He telegraphed for Prosecutor Strong and the warrant was issued."

When arrested Rev. Walser looked dazed but said: "You are wrong, officer; you have arrested an innocent man."

His friends bade him good bye without much show of emotion, except one venerable woman who kisses him and said: "We don't believe you guilty."

Father Reichlin cut the questioners short by saying, "We must await developments."

The priest who was arrested is 51 years of age.

The dogs were secured early this morning from Ft. Wayne and were brought here by Dr. T. L. Hickman.

The scent was given the dogs from the clothing on the bed on which Miss Reichlin lay when she was killed. The animals were very alert. They sniffed about the room for a moment. "Then," said Hickman, "they went straight to the room and to the bed in which Rev. Walser slept the night of the murder, then went back to the other bed. They would go no further than this."

Hickman brought the dogs down into the yard. The police, a few citizens, the Reichlins and newspaper men were there. The dogs prowled confusedly around the front lawn. Hickman took them to the yard in the rear. They nosed every inch of this without giving the yelp that would announce the striking of the trail. Hickman was greatly disappointed. He took the dogs upstairs again and all but the police were excluded once more. Hickman when he came down a few moments later said the dogs went through the same maneuvers as on the first attempt, running from one bed to another and back again. "On the night of the murder the police took the ladder with which the murderer is supposed to have ascended to the attic window and locked it in the attic. This ladder was now brought down and laid on the grass. The dogs, freed, leaped for it, sniffed and then lifted their noses into the air.

"That ladder was not used by the

person who handled the clothing of Miss Reichlin's bed," Hickman declared. "The scent is positively not there. The dogs are keen for it and would find it if it was there."

ARRESTED BEFORE.

Elyria, Ohio, May 2—Father Walser who was brought here today from Lorain was arrested 10 years ago at Clinton, Mo., on the charge of cruelty to an orphan girl. He was acquitted, he says, and was complimented by the judge.

GEN. MILES' REPORT.

Washington, May 2—The Army and Navy Register in today's issue commenting on General Miles' recent report of the Philippines says:

"We do not believe that General Miles wished to contribute to the ammunition of the critics of the army or that he realized he was aiding the cause of the so-called anti-imperialists, but his report has that unfortunate effect. We have believed that General Miles had just cause for complaint on account of some injustice, but his warmest friends, among whom the Register would class itself, must deeply deplore the state of mind and form and expression with which the Lieutenant General commanding has dealt with this subject.

ROMANTIC WEDDING SATURDAY

IN PRESBYTERIAN PARSONAGE AT GRANVILLE

Engagement Had Been Off For Twelve Years

MISSOURI GIRL AND PITTSBURG MAN MARRIED

EACH MET OTHER HALF WAY

"There's No Love Like the Old Love." Dinner at Buxton's and Then a Trip Down East

Granville, Ohio, May 2—A wedding, the culmination of a very pretty romance took place at the parsonage of the Presbyterian church in Granville at 11 o'clock today, the contracting parties being Miss Minnette M. Ashbrooke of Harrisonville, Mo., and Mr. S. A. Galt of Pittsburg, Ja.

The bride and groom were lovers 12 years ago but for a reason that is not announced they agreed to separate in 1891 after having been engaged for two years and neither saw the other until they met yesterday by agreement at Newark.

Mr. Galt who was a traveling man of Pittsburg, had a route extending through Missouri 11 years ago, and while at Harrisonville he chanced to see Miss Ashbrooke, a charming and prominent young woman of that town. Having made inquiry about her, Mr. Galt sought and obtained an introduction. The friendship which began before he left Harrisonville soon ripened into love, and an engagement resulted but for some reason after two years the engagement was broken and was apparently forgotten. Not long ago Mr. Galt learned that Miss Ashbrooke had never married, and he wrote her a letter suggesting a renewal of the once pleasant relations between them. An encouraging reply was soon on its way to Pittsburg and later an exchange of photographs was made. From this point on billetedoux flew thick and fast between Missouri and Pennsylvania and the other day an agreement was made that each should travel in the direction of the other and they figured out that Granville was about half way between the two points. It was here they agreed to marry. Mr. Galt met his bride-to-be at the B. & O. station in Newark Friday and the two took the interior car to Granville where Miss Ashbrooke became the guest of her cousin Miss Carry Saine, a prominent teacher in the Granville public schools.

Promptly at 11 o'clock this morning, Mr. Galt and his affianced went to the residence of the Rev. Dr. C. L. Work where they were married.

At noon Landford Buxton, at the famous old Buxton House which in the past 12 months has been the meeting place of more than one cloping couple, served a splendid dinner to the bride and groom and Mr. and Mrs. Galt then took the car for Newark and continued their trip to Pittsburg at one o'clock this afternoon.

Mr. and Mrs. Galt are a fine looking couple, 35 years of age, though the groom looks a trifle older and the bride a trifle younger.

STRIKE

Of the Central Union Telephone Company's Linemen Continues—The Cause of the Trouble.

The Central Union Telephone Company's linemen are still on strike, and the meeting at 10 o'clock Friday was not productive of the settlement desired. The demand \$2.50 for

nine hours' work for day men, and \$60 a month for the men who work by the month. The company was willing to grant the first demand, but not the second, and as all the linemen are paid by the month the day rate would not affect them. This the union could not accept so that the affair will now be taken up by the arbitration committee of the trades council, probably this evening, if the committee can be brought together.

The strikers are in no way interfering with the service of the company, but merely refuse to work under the old contract and scale of wages.

MISSING

IS JANITOR GEORGE GARRETT OF ARCH STREET.

Man Has Not Been Seen Since Wednesday—Sober and Industrious. Pay Awaits Him.

George Garrett, aged 30, a negro, employed in Master Mechanic Dahlman's office as janitor, has been mysteriously missing from home since Wednesday last, and all efforts to locate him have failed thus far.

He left the office at noon last Wednesday in his usual health and spirits, but has not yet been to his home on Arch street. He was sober and industrious, and his wife as well as the members of the office force are at a loss to account for his disappearance or his continued absence.

His check for last month's pay was not drawn by him, which is a circumstance that cannot be explained on any theory that he deserted his wife, or went some place else in search of work.

His home on Arch street is a model of neatness and convenience, and his wife and he lived very happily together. Before going to the B. & O. Garrett was employed at the Warden. He has no children.

FOURTEENTH

Wedding Anniversary of Rev. and Mrs. L. S. Boyce Was Remembered by Friends Friday

A very pleasant and complete surprise was perpetrated on Rev. Lester S. Boyce and his wife Friday evening by the church officials and their families. It turned out to be a clear case of conspiracy in which one of the chief conspirators was also caught. It seems that Mrs. Boyce thought that she was conspiring with the church officials to surprise her husband, and it turned out that she was as badly surprised as he was. Early in the evening Mr. Charles O'Bannon called for Mr. Boyce and invited him to take a ride around the city. Nothing like the Reverend gentleman stepped into the buggy and after a pleasant ride of nearly an hour, Mr. O'Bannon brought him home. On entering the door he was greeted with many showers of laughter, and found assembled there the officials of the church and their families who had met to surprise him and to remind him that this was the fourteenth anniversary of the marriage of himself and Mrs. Boyce. Mr. Boyce was greatly surprised but quickly rallied and proved himself a splendid entertainer. In a short time, however, the tables were turned on Mr. Boyce, when the guests presented him with a hand-ome music cabinet. Refreshments were served and a very delightful evening was spent by all.

ACCUSED

Forced to Gaze Upon the Features of Murdered Man—Kennedy Denies the Charge.

New York, May 2—Forced to stand close beside the coffin in which rested the body of his alleged victim and to gaze down at the disfigured features of the dead man, Daniel Kennedy, accused of the murder of James Edward McMahon, a contractor and brother of a well known Tammany leader, had an experience this morning that tested his nerves to the collapsing point. It was the modern application of the "bloody test" of medieval times, but through it all Kennedy denied that he had killed McMahon.

With heads of perspiration standing out on his face, indicating the severe mental strain he was under, he denied this and again that McMahon was the man he had a fight with on Eighth avenue Thursday night. He was taken back to the station house on the verge of collapse. Although the police are confident Kennedy committed the crime they are investigating a report that he had an accomplice. Persons in the house who heard the scuffle thought they heard the voices of two or three men. Although diligent search has been made the weapon with which the crime was committed has not been found.

TRYING

NOW TO FIND HIS WAYWARD NIECE

Whom He Wishes to Save and Adopt.
Western Millionaire Pays Visit to Coshocton.

Coshocton, May 2.—J. W. Miller, millionaire mining engineer of Seattle, Washington, has arrived here after a journey of many thousands of miles, in search of his niece, Edna Miller, who, seven years ago ran away from home in Texas with an admirer, was deserted in Cincinnati and has since disappeared. Miller's story sounds like a romance, but he authenticates it, is himself vouched for by the Grand Lodge of Masons of the State of Washington.

The girl left an excellent home at the age of 16, having become infatuated with a man who took her as far as Cincinnati where he abandoned her. Her father, after spending his savings seeking for her, died, her mother also dying soon after. The uncle is alone in the world with his wife, and they are anxious to find the girl, save her from the old life and make her their child and heir. Six months ago Miller started forth and visited Texas, New Orleans and Cincinnati.

At the latter place he found she had gone to Chicago, where he followed, only to find that she had gone east, and had been in Coshocton. The girl was here last summer and was known as Ruth Armer, and was noted for her beauty. She is a petite, vivacious and striking brunette. She left here some months ago for Toledo, where it is supposed she still abides. Yesterday in his efforts to secure tangible information Miller gave one woman \$100 to tell all she knew of the girl. She directed him to Toledo, for which place he left last night.

CUPID

IN THE ROLE OF POLITICS AT ZANESVILLE.

Congressman VanVoorhis' Daughter to Marry One of "Black Boys"—Significance to Union.

Zanesville, O., May 2.—Cupid has cheered the home of Mr. and Mrs. Henry C. VanVoorhis of this city a bit too late, so some people think.

As has been announced in these columns, the engagement of Miss Dollie VanVoorhis, daughter of the congressman from this district, to Mr. Robert Black was announced at a luncheon at the Van Voorhis residence last Saturday afternoon.

Local and district political history of the past dozen years, when considered in connection with the forthcoming nuptials of Miss VanVoorhis and Mr. Black, is decidedly interesting.

For years, ever since Congressman VanVoorhis was elected for his first term, his political ambitions have been vigorously but unsuccessfully combated by an imposing array of young Republicans, under the leadership of Dr. E. C. Brush, surgeon general on Governor Nash's staff, S. A. Weller, Walter Robert and "Bad" Black.

The congressman is now enjoying his fifth term in congress, but at each of the four last elections his majority has been materially reduced until a year ago when he was elected by a majority of less than 500 in a district that has a normal Republican majority of 5,500.

This indicated that Dr. Brush and the Black boys were gaining strength and were in a position soon to reap a victory for which they had been so industriously fighting—the defeat of Congressman VanVoorhis. No one realized this better than Mr. VanVoorhis himself and at his last campaign he came out in an open declaration that if nominated for the fifth term he would voluntarily retire from Fifteenth district congressional politics and give some of his opponents a chance.

The congressman's declaration was taken seriously and he was not opposed for renomination.

But romance has crept in and Cupid may again alter the situation. The engagement and approaching marriage of Miss Dollie VanVoorhis and Mr. Robert Black gives the situation a new complexion. It means the uniting of the Black and VanVoorhis households. It means that Congressman VanVoorhis will be 'close enough' to the Black boys to cut an important figure in district politics of the future. They have opposed him consistently, honorably and admirably. The question now is, will he be with them or will they be with him in future political deals?

Cupid must answer the question—must solve the riddle that so many Zanesville Republicans are trying to solve—but it is feared that Cupid has come too late.

SHORTAGE

Declared by Investigators to Exist in Probate Judge Andrews' Account at Zanesville.

Zanesville, O. May 2.—It is announced that the commissioner appointed to investigate the Probate Judge's office had held former Probate Judge A. J. Andrews accountable for \$900 of alleged illegal fees collected. The commissioners were Attorney W. H. Johnson and Judge Frank L. Ford, who was Judge prior to Judge Andrews' term in office. The over charges are alleged to have been made, as a rule in estimating the costs in lunary, habeas corpus and criminal cases, where charges were entered per 100 words. Judge Andrews comes back at the commission, and Judge Ford in particular, in a declaration that he pursued the same system of assessing costs and fees as was used by his predecessors for 17 years.

WOMAN'S GENTLE NATURE CALLS FOR GENTLE TREATMENT

Delicately formed and gently reared, women will find, in all the seasons of their lives, as maidens, wives, or mothers, that the one simple, wholesome remedy which acts gently and pleasantly and naturally, and which may be used with truly beneficial effects, under any conditions, when the system needs a laxative, is—Syrup of Figs. It is well known to be a simple combination of the laxative and carminative principles of plants with pleasant, aromatic liquids, which are agreeable and refreshing to the taste and acceptable to the system when its gentle cleansing is desired.

Many of the ills from which women suffer are of a transient nature and do not come from any organic trouble and it is pleasant to know that they yield so promptly to the beneficial effects of Syrup of Figs, but when anything more than a laxative is needed it is best to consult the family physician and to avoid the old-time cathartics and loudly advertised nostrums of the present day. When one needs only to remove the strain, the torpor, the congestion, or similar ills, which attend upon a constipated condition of the system, use the true and gentle remedy—Syrup of Figs—and enjoy freedom from the depression, the aches and pains, colds and headaches, which are due to inactivity of the bowels.

Only those who buy the genuine Syrup of Figs can hope to get its beneficial effects and as a guarantee of the excellence of the remedy the full name of the company—California Fig Syrup Co.—is printed on the front of every package and without it any preparation offered as Syrup of Figs is fraudulent and should be declined. To those who know the quality of this excellent laxative, the offer of any substitute, when Syrup of Figs is called for, is always resented by a transfer of patronage to some first-class drug establishment, where they do not recommend, nor sell false brands, nor imitation remedies. The genuine article may be bought of all reliable druggists everywhere at 50 cents per bottle.

THE ST. LOUIS EXPOSITION.

The dedication of the Louisiana Purchase exposition Thursday in the immensity of the crowd in attendance, the splendid military display and the distinguished character of so many of the visitors, fully come up to the expectations of the managers and the people. On the same stand, and addressing the same people, were the President of the United States and the only living ex-President, whose presence together on a public occasion has been of rare occurrence at any period in our history. The part of religion in the dedication was made prominent by the presence of Cardinal Gibbons and Bishop Potter, of New York. The governors and high functionaries of many States were there, while some idea of the crowd may be gathered from the fact that the procession to the fair grounds was three miles long. The dedication opens the early stages of the Louisiana Purchase exposition most auspiciously and with the probable certainty that it will lead all the expositions that have gone before.

RUSSIA'S DENIAL.

Russia denies that she demanded of China that the ports of Manchuria be closed to other powers and that no foreign consuls be allowed in the country. It keeps Russia busy denying the reports started about her by other nations. It is the policy of England to lie about Russia whenever opportunity presents.

Russia is friendly to the United States and England, knows it. She is constantly trying to create trouble between the two nations, but she is not succeeding very well.

Russia is a wonderful country. She is little understood, but the impression is growing that she is not so bad as represented. It is always well to reserve opinion concerning her reported acts until the truth is known.

HUMILIATING MILES.

General Miles has been persistently snubbed by the war department. He has been humiliated at every opportunity and handicapped to a discouraging extent. He is a good soldier and a man of vast experience in military affairs, but because he does not cater to the carpet warriors of the war department he is slandered and vilified. The people know who is in the wrong, however, and they are satisfied to accept what General Miles says as true.

The Louisville Courier-Journal has been sizing up Mark Hanna's recent hypocritical pretensions as to organized labor. It says that people should "not be too critical of the senator. He is doing the best he can. It should be born in mind that he is 'in politics,' as a leader of a party that is dependent on union labor for votes and on the employers of union labor for funds. Under the circumstances Uncle Marcus makes a better tight rope dancer than could reasonably be expected of one of his weight and figure."

GREATLY ALARMED

By a Persistent Cough, but Permanently Cured by Chamberlain's Cough Remedy.

Mr. H. P. Burbage, a student at law, in Greenville, S. C., had been troubled for four or five years with a continuous cough, which he says "greatly alarmed me, causing me to fear that I was in the first stage of consumption." Mr. Burbage having seen Chamberlain's Cough Remedy advertised, concluded to try it. Now read what he says of it: "I soon felt a remarkable change, and after using two bottles of the twenty-five cent size, was permanently cured." Sold by all druggists.

CUT AND DRIED

Are Proceedings of the Republican State Convention

The Whole Affair Has Been Practically Settled By the Domination of Hanna and Cox.

Columbus, O., May 2.—The cut and dried affair which the Republican state central committee has dignified with the name of a state convention, and which will materialize in this city on the third and fourth of June, promises to have in it two elements of interest. Of course it is well known that the main objects of the convention have been attended to by Boss Cox and Boss Hanna long in advance of its meeting. Colonel Herrick will be nominated with a whirl and the Hon. Albert Douglas, lying beyond the breastworks, will not know whether he has been struck with a cyclone or a thunderbolt. The bosses have issued their decrees and that is all there is to it. The only doubt and the only interest that exists in the whole matter is apparent only in those things regarding which the bosses have not been able to agree. Chief among these are the nominations for auditor of state and justice of the supreme court.

Auditor Guilbert's candidacy for a third term is making all kinds of trouble in the Republican ranks. The great body of the Republican party, like the Democratic, is opposed to third terms on general principles. Human nature is very much the same in all parties and in none can any con-

siderable body of men be found willing to endorse a proposition for an eternal trait like that suggested by the perennial candidacy of Mr. Guilbert for the same office. Hanna, who was originally for Guilbert and placed him on the slate adopted at the Cleveland conference, is in danger of being driven to the wall and forced to abandon Guilbert in order to save Herrick for governor. Some of the Republican editors and politicians in various parts of the state are notifying the supreme boss that there is a line of antecity which he will not be permitted to cross this year. The candidacy of Colonel M. M. Gillett of Newark, for Auditor Guilbert's job is a reflection of this sentiment against Mr. Hanna's complete domination of the convention. It is, in a word, a protest against Hannaism and one to which Mr. Hanna is now giving serious consideration. The opposition to Guilbert is also largely aroused by his attitude towards the railroads during his four years of office and his hard work performed in favor of every obnoxious feature of the Cox code. All things considered, it now seems inevitable that Guilbert will have a merry fight on his hands before he lands the coveted renomination.

SUPT. BROWN

Makes a Statement Relative to His Stand on the Light Matter—Why He Acted as He Did.

Editor Advocate.—In reply to your statements of April 29th and 30th concerning the test the City Council and Western Electric Expert DeCrow of Chicago, wanted me to make Tuesday evening on 125 light dynamo at the city light plant, I refused to make the test when Mr. DeCrow asked me to I told him that owing to insulation of the line and lamps I didn't think it would be safe. He said there wasn't any more danger in turning on 125 lights than there was in 50 lights. I told him I knew better and he did too. If he knew anything about it, as the 50 lights would be only 2500 volt pressure while the 125 lights would be 7,500 volt pressure. If Mr. DeCrow offered to give a \$15,000 bond it was never mentioned to me by anyone. There were no councilmen ever offered to release me from any blame for the damage should there be any done, in making the test. Mr. Moser, councilman from the Seventh ward, and one of the light committee, but not the chairman, said: "Brown, I order you as chairman of the light committee, to turn on 125 lights on this machine." He repeated his order the third time. I refused, as I didn't rec-

ognize Moser as chairman. As Mr. Banton who was appointed chairman by the president of the council, was present and had ordered me to make no test unless they gave bond for \$15,000. At their meeting Wednesday night Mr. Fromholtz made a motion to adjourn to the plant to make a test of the machine. Mr. DeCrow objected on the same ground I did at the time they wanted to make the test on Tuesday night. I have had charge of the light plant for five years and at no time have tried any experiments with the city's property. I objected to this machine when it was purchased, which was about two years ago, on account of the high voltage. My objection was overruled and Mr. Smith, who was chairman of the light committee at that time, had orders from the city council to make the purchase. I made the same objection to its duplicate that they have just purchased. To run these machines to their full capacity the line will have to be reconstructed and a number of new lamps bought which means several thousand dollars.

R. BROWN, Supt.

Made a Sad Mistake.

"He chased the car for a block and a half, whistling as loud as he could all the time."
"And did he catch it?"
"No. You see his whistling attracted the motorman, who looked around and discovered what he was trying to do."—Philadelphia Ledger.

THE RAILWAYS

Heavy Motors.

Baltimore, Md., May 2.—The Baltimore & Ohio railroad will receive during the next two weeks the first of two 150-ton electric motors, for service in the Baltimore tunnel. These motors are the heaviest ever built, and, with the three 96 ton motors now in use, will enable the company to haul all freight and passenger trains from Camden station to the top of the grade without the locomotive rendering any assistance.

The locomotive is made up of two independent duplicate sections coupled together, each section being equipped with four GE-65 motors and type M control, so arranged that either section can be operated independently, or from any one section two or more sections can be controlled. The capacity of the locomotive can at any time be increased by adding duplicate sections as desired.

Two sections of the locomotive, weighing together 150 tons, are designed to handle a loaded train, weighing complete, with steam locomotive, but exclusive of the electric locomotive, 1500 tons, over the belt line grade from Camden station, through the tunnel, to Summit, a distance of 3.44 miles, at approximately a maximum speed of 10 miles per hour on the .8 per cent grade and 9 miles per hour on the 1-1/2 per cent grade, when operating at 625 volts.

In design the locomotive is exceedingly simple and accessible, with a minimum number of wearing parts. It is believed that with this construction the maintenance account of the locomotive will be very low.

Relief Department.

Mr. S. A. Barr, superintendent of the B. & O. Railroad Relief Department, is in the city on business connected with that department. Mr. Barr is here for the purpose of effecting loans to B. & O. employees who desire to avail themselves of the advantages offered by the department. The department has already loaned \$106,000 in Newark to B. & O. men on 443 pieces of property. In the State of Ohio the Association has loaned \$327,500 on property. This shows that Newark has nearly one-half of the loans of the Association in the State. The Association has over \$1,000,000 available for this purpose. The money for the loans is taken from the savings department.

Relief Checks.

Medical Examiner Dr. S. C. Priest of the B. & O. announced this morning that he has relief checks for the following named persons: Henry Dinger, Oren H. Curtis, O. S. Carpenter, Thomas F. Roberts, Joseph Hetrick, T. J. Fullin, W. H. Frye, W. J. Burton, George N. Vance, Charles Timmons, Jr., R. C. Oldham, J. F. Kussman, W. F. Reynolds, Thomas Graff, W. E. Bush, Ross Bounds, E. B. Swern and C. E. Fulk.

Badly Burned.

Stephen Trlea, an Italian laborer at the B. & O. foundry, was badly burned Friday afternoon while at work assisting in making a cast. He was helping to carry a ladle of molten iron when he slipped and fell, the iron spilling over his left foot and leg, causing the flesh to be cooked in some places nearly to the bone. He was taken to his room, 392 Baltimore street and Dr. J. N. Stone attended to his injuries.

yields more readily to Scott's Emulsion of cod-liver oil than to anything that you can take—and if persistently used a few days, will break up the cold. When you awake in the night choked up and coughing hard, take a dose of the Emulsion, and you will get immediate relief, where no cough medicine will give you relief. It has a soothing and healing effect upon the throat and bronchial tubes.

CITY COUNCIL.

MUCH DIFFICULTY IN SECURING A QUORUM.

Resolutions on Death of R. Scheidler—Finance Ordinance—The Resolutions Adopted

The City Council met Friday night in special session, President Rosell calling the meeting to order at 10 o'clock. Much difficulty was experienced in securing a quorum. Sergeant-at-Arms Bourner being sent after several members. The following members answered to roll call: Messrs. Davis, Deardurff, Jones, Matticks, H. Moser, J. R. Moser, Shaw, Linn and Payne.

A special committee consisting of President Harry Rosell, Mayor C. C. Forry, and Solicitor P. B. Smythe, reported that the council and city officials attend the funeral of Reinhard Scheidler in a body, and provide a suitable floral offering. The report was received and filed.

The following resolution was then adopted by a unanimous rising vote: Whereas, In the wisdom of the Almighty, He has seen fit to take from us one of our most respected citizens, Reinhard Scheidler; and

Whereas, Reinhard Scheidler has passed the greater part of a busy and useful career in our city, during which time he has served the public in the capacity of city councilman, but more especially has he been prominent in the various business affairs of our community, whereby his successful career as a business man has contributed materially to the prosperity of our city, and his potent example has been of untold value. Commencing as a humble mechanic he built up a large manufacturing establishment, thus showing what brains, energy and attention to duty can accomplish, even with an humble beginning. Further than this he has been connected with the business, and public affairs of our city, always looking toward the general welfare, and contributing from his means to obtain this result, therefore, be it

Resolved, By the Council of the City of Newark, Ohio, That in the death of Reinhard Scheidler, this city and community has sustained an irreparable loss; that in his life work among us our citizens have benefited not only materially, but morally, by the force of his illustrious example, and that it is by the work and example of such men that public interests thrive and grow. Therefore be it further

Resolved, That this body, representing the City of Newark hereby extends its sincerest sympathy to the bereaved family, and that a copy of these resolutions be sent to them; and be it further

Resolved, That these resolutions be spread upon the minutes, to commemorate the life and death of a man that this city can ill afford to lose.

Respectfully submitted,

HARRY ROSSELL,

PHIL B. SMYTHE,

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running ear or it perfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

MISSIONARY

Meetings at Homes of Mrs. Walter Scott and Mrs. D. M. Hall Friday—The Program.

The Home and Foreign Missionary Society of the Second Presbyterian church met with Mrs. Walter Scott on Hudson avenue, Friday afternoon. The attendance was very large and an excellent program was rendered. Devotional services were led by Mrs. Var Burton and a gift in memory of the late Mrs. Lath J. Johnson was received by the society. An invitation from the Missionary Society of the First Methodist church to attend union services was gladly accepted. Business and plans for the year were discussed, followed by two well written and instructive papers, "Discouragements and Encouragements of the Work Among the Indian," by Mrs. George

Webber, and "The Mormons," by Mrs. Emerson. Mrs. Webber's paper was supplemented by an exhibition of beautiful Indian baskets, pottery and rugs by Mrs. A. H. Pierson, and Mrs. Emerson included in her paper, her own observations of the Mormon church while in Utah a few years ago.

Those present were then treated to a delightful informal talk on "Mexico" by Mrs. Pierson, who has just returned from that country, and some exquisite Mexican handwork was shown. The meeting was closed with a social hour during which light refreshments were served.

CHURCH OF CHRIST.

The monthly meeting of the First Missionary Society of the Fourth Street Church of Christ, held at the home of Mrs. D. M. Hall on Pine street, Friday afternoon, was a very pleasant one and also very profitable. The devotional exercises were conducted by Mrs. H. Newton Miller. The regular topic, "Missions in Mexico and Porto Rico," was ably presented by Mrs. Stella Anderson, Mrs. Margaret Gridley and Mrs. Fuller Taylor. Mrs. Dennis Bell recited with fine effect "The Octoroon," a pathetic story of antebellum days. A beautiful lesson in self-denial for Christ was brought out in the reading of a leaflet by Mrs. Ora Andrews.

The question box was also conducted. A social half-hour was among the features.

The Women's Foreign Missionary Society of the First M. E. church will be entertained by Mesdames G. W. Emery and F. L. Beggs at the home of the latter No. 221 Woods Avenue Thursday, May 7, at 2 o'clock. All interested are cordially invited.

H. H. GRIGGS

To Address Y. M. C. A. Meeting Tomorrow Afternoon—Special Music Rendered by Chorus.

The announcement that Mr. H. H. Griggs of Cleveland is to address the Men's meeting in Taylor Hall Sunday afternoon has awakened more than usual interest. There are many good reasons for this too. People know that Mr. Griggs is a very interesting speaker and are especially anxious to hear what he will say on the subject "A Lucid Fellow" with the members of the Y. M. C. A. and with his many friends there is another reason. Because of his excellence as a man and the splendid service he has done and is still doing for the Association in Newark both by his personal efforts and his generous gifts.

It will not be surprising if Taylor hall will be well filled with men, young and old to greet him.

The Second Presbyterian church choir will furnish the following special musical numbers:

Quartet—"Sing Alleluia" Foith—Dudley Buck.

Duet—"Twilight"—Nevin—Mrs. C. W. Miller, Mr. J. Howard Jones.

And the meeting will open with the usual fifteen minute song service.

At 2 o'clock Miss Lumley would like all the boys who have been attending the Boys' meeting to be present in the Junior Rooms for the last meeting of the season. She is planning some special music for them.

A Startling Test.

To save a life. Dr. T. G. Merritt, of No. McChopany, Pa., made a startling test resulting in a wonderful cure. He writes "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50 cents at Hall's Drug Store.

N. Gahn's Death

Nicholas Gahn, a molder, who for the past several years has been a well known character about the town, died at the home of his mother, Mrs. Margaret Gahn 147 South Second St., about 11 o'clock Friday night, after a couple of days illness with acute stomach trouble aged 77 years.

The funeral will take place Monday afternoon at 2 o'clock from the home.

The other members being Paul Cahoon, Earl Butterworth, Paul Collins, and Arlerton Hillier, with Mrs. Priest as leader, after roll call Starling Morse read an interesting selection called "Joe's Mary Jane." A short business meeting was then held. It was decided to take as the subject England. The club meets every two weeks at the homes of the members. After adjournment, light refreshments were served.

On Friday evening of last week Mr. and Mrs. W. Dayton entertained the Progressive Club at their home on Buena Vista street. Mr. James Connors and Mr. E. E. Wiles carried the club prizes and Miss Anna Prior and J. H. McCarthy, the visitors' prizes. Light refreshments were served. The club will meet May the 2d with Mr. and Mrs. T. M. Howard.

The Unity Reading Circle held its yearly business meeting on Tuesday evening at the home of Miss Ella Cross. The election resulted as follows: president, Miss Ella Cross, vice-president, Miss Lucy Connel; recording secretary, Miss Lulu Coulter; treasurer, Miss Blanche Murphy; program committee, Miss Mella Burch, Miss Emma Lisey and Miss Anna Connel. The entertainment committee was left to be appointed by the Chair. At this meeting there was no program, but this quotation appears on the page.

Measure not the work until the day is cut and the labor done; Then bring your gauges, if the day's work is scant.

Why call it scant? effect no compromise, But in that we have nobly striven, at least,

Deal with us nobly women though we be

And honor us with truth, if not with praise.

The subject for next year's work is the American Chautauqua course.

The Boys' Literary club was entertained Saturday afternoon by James Smith. The following interesting program was rendered:

Reading—Chas. Africa.
Composition—Harold Rutledge
Recitation—James Smith.
Composition—John Baird.
Recitation—Paul Russell
Paraphrase—Parke Chase.
Recitation—Harold Lees.

The annual meeting of the Woman's Guild of Trinity church was held on Thursday in the Parish House and the following officers elected for the ensuing year: Mrs. James Kennedy, president; Mrs. George Van Fossen, vice president; Mrs. S. G. Haight, secretary; Mrs. C. C. Metz, treasurer.

Trinity Church.

The morning service at 10:30 will consist of a choral offering of the Holy Communion and a sermon on the love of our Lord Jesus Christ due from all people.

Persons who are not communicants are invited to attend and assist in the service which is the true worship of the church. They may thus be led to apply for admission to the higher privilege of receiving the Bread of Life. Holy baptism will be solemnly administered at 11:50. In the evening the sermon will be on the subject "Why it is a Sin not to Attend Church." All non-church goers are especially requested to come and hear what is to be said on this subject. I shall appreciate the favor of an opportunity to refute that common erroneous opinion that it matters little whether a man be a regular attendant at church or not. G. W. Van Fossen, rector.

A Hospital Case

There was a hurry call for the ambulance of the City Hospital. In the course of a few moments a very sick woman was brought in on a stretcher—she was pale as death and evidently suffering keen agony. There was a hasty examination and consultation, and in less than a quarter of an hour the poor creature was on the operating table to undergo an operation for ovaritis.

The above is an accurate account of an incident which occurred in New York recently; the young woman in question had warnings enough of her dangerous condition in the terrible pains and burning sensation low down in her left side. She had no one to advise her, and she suffered torture until it was too late for anything to save her life.

Women should remember that if they do not care to tell a doctor their troubles, they should be willing to tell them to a woman, who stands ever ready to advise and help them. Again we state that Mrs. Pinkham's advice is freely and confidentially given to every one who asks for it. Address, Lynn, Mass.

The following letters prove beyond question that Lydia E. Pinkham's Vegetable Compound has the power to cure, and does cure thousands of cases of inflammation of the ovaries, womb, and all other derangements of the female organism.

MRS. OTTOSON SAVED FROM A SURGICAL OPERATION.

"DEAR MRS. PINKHAM:—I cannot thank you enough for what your Vegetable Compound has done for me. If it had not been for your medicine, I think I would have died."

"I will tell you how I suffered. I could hardly walk, was unable to sleep or eat. Menstruation was irregular. At last I had to stay in my bed, and flowed so badly that they sent for a doctor, who said I had inflammation of the ovaries, and must go through an operation, as no medicine could help me, but I could not do that."

"I received a little book of yours, and after reading it I concluded to try Lydia E. Pinkham's Vegetable Compound, and I am now a well woman. I shall praise your medicine as long as I live, and also recommend the same to any one suffering as I was."—MRS. MINNIE OTTOSON, Otho, Iowa. (June 9, 1901.)

Follow the record of this medicine, and remember that these thousands of cures of women whose letters are constantly printed in this paper were not brought about by "something else," but by Lydia E. Pinkham's Vegetable Compound, the great Woman's Remedy for Women's Ills. Those women who refuse to accept anything else are rewarded a hundred thousand times, for they get what they want—a cure. Moral:—Stick to the medicine that you know is Best. Write to Mrs. Pinkham for advice.

INFLAMMATION OF THE OVARIES CURED WITHOUT THE KNIFE.

"DEAR MRS. PINKHAM:—I wish to express my gratitude for the restored health and happiness Lydia E. Pinkham's Vegetable Compound has brought into my life."

"I had suffered for three years with terrible pains at the time of menstruation, and did not know what the trouble was until the doctor pronounced it inflammation of the ovaries, and proposed an operation."

"I felt so weak and sick that I felt sure I could not survive the ordeal, and so I told him that I would not undergo it. The following week I read an advertisement in the paper of your Vegetable Compound in such an emergency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, so I kept taking it for ten weeks, and at the end of that time I was cured. I had gained eighteen pounds and was in excellent health, and am now."

"You surely deserve great success, and you have my very best wishes."—MISS ALICE BAILEY, 50 North Boulevard, Atlanta, Ga., Treasurer St. Francis Benevolent Association.

At the conclusion of the initiation an elegant banquet was served in the large banquet room of No. 13. Attorney B. F. McDonald, who has recently located in Newark, presided very gracefully as toastmaster and short impromptu speeches for the good of the order were made by many of the Brother Knights. The entire occasion was a delightful one, and one that will linger long in pleasant memory.

Modern Woodmen of America.
The past week has been a busy one for the members of Cedar Camp, 427, Modern Woodmen of America of Newark. On Tuesday evening a special car with banners of the order draped from its sides left the interurban depot at Newark with about 100 Woodmen aboard, bound for Columbus, over the Columbus, Buckeye Lake and Newark electric line. The object of the trip was to assist Banner Camp of Columbus in the adoption of a class of 55 candidates and thereby making this camp, which was but one week old, a membership of 150 in good standing. On account of the tender age of the Columbus camp and the fact they had not yet secured their regalia the camp from Newark took all necessary appliances and put the work on in full. The neighbors who formed the party were well pleased with the trip and are proud of the fact that the Newark team and officers are second to none in the state.
On Wednesday night Cedar Camp held its regular meeting and although the active members had been out late the night before to Columbus, yet a large attendance was had at the meeting but the boys were somewhat sluggish.
On Wednesday evening May 6th, Cedar Camp will be almost without its principal officers as they will be in attendance at the State Camp at Toledo, which will be in session at that time. Those who will be at Toledo will be State Deputy N. C. Sherburne, O. B. Young, Rees R. Jones, T. W. Tabler and W. S. Brandriff. These officers and delegates will make report of the State Camp at the meeting on Wednesday evening May 13th and every Woodman should attend as besides the report there will be adoptions and refreshments will be served at the conclusion of the ceremonies. Visitors are expected from other camps in the county.

On Sunday, May 3d, Cedar Camp's team will be the guest of Col. W. C. Wells at Buckeye Lake and will drill in the new pavilion recently erected at the lake. Woodmen and others desiring to witness the drills will be pleased to hear that cars will leave for the lake each half hour.
D. O. K. K.
The members of Kootah Temple, D. O. K. K., of this city are considering the matter of accepting an invitation from the Temple of Shawnee to visit that city and assist in initiating a large class of candidates.
Maccabees.
Friday evening was a red letter occasion in the history of Octagon Tent, K. O. T. M., of this city. For some time past arrangements have been making to initiate a large class of candidates that have been in waiting, and invitations had been sent out to a number of the neighboring tents to be present. As a result the large hall was crowded to the utmost capacity on Friday evening. There were several hundred Maccabees present, including a large number of out of town guests, among them being 75 members of the order from Mt. Vernon, 25 from Coshocton and many from Zanesville, Purity and other places. Among the notables who were present and who assisted in the work of initiating the 75 anxious candidates were Great Commander R. M. Parker of Elyria, Great Record Keeper Edward L. Young of Norwalk, and Supreme Finances Keeper L. E. Slater of Port Huron, Mich. After the work the local members and the visiting guests were treated to a fine banquet. Octagon Tent is in a flourishing condition and has been having quite a boom of late. Another large class will be initiated in the near future.

Royal Arcanum
At the meeting of Bayard Taylor Council, Royal Arcanum, held on Monday night there was a large attendance. A committee consisting of Messrs. P. F. Dries, Samuel Woolway, Charles Roeser and J. M. Penny was appointed to meet this evening to arrange for the proper celebration of the twenty-sixth anniversary of the Royal Arcanum, which occurs on June 23.
A. O. U. W.
The boys are looking forward to the meeting Monday night with a great deal of enthusiasm. Brother Coconour has reported the new uniform for Old Billy and the boys are all anxious to see him appear in his new regalia. From five to ten candidates are expected to test his mettle and if we mistake not he will show them a good time.
Brother Redick passed through the City this week and the boys were all glad to see him again. It is hoped he may soon return and assist us again in a rush for a large class.
We expect Brother Herrin with us again for a few days in a week or two, and the boys of the drill team are laying on a few extra strokes in anticipation of his visit. If you have a friend whose application has been favorably acted upon see that he is there for initiation next Monday night.
The A. P. U.
Newark Council No. 1, American Protective Union, will hold its regular meeting on Monday evening at K. P. hall No. 13. All members are requested to be present as business of special importance is to be transacted. The Degree Team will put the work on the floor which will be very interesting to the members. Will also complete arrangements for the Prize Observation social to be given at the home of Mrs. Edw. Lippincott, 32 South Fourth St., May 5th.

IF YOU HAVE PAIN IN YOUR BACK
Do Not Be Deceived. You have Kidney Trouble, and You Do Not Need a Physician to Tell You So.
Pain in the back is an almost infallible sign of kidney disease. A sure sign is the condition of your urine. If you have a pain in the back, then look to the condition of your urine. It is easily done. Take a glass or tumbler and fill it with urine; after it has stood 24 hours, if it has a sediment, if it is milky or cloudy, if it is pale or discolored, stringy orropy, your kidneys and bladder are in a dangerous condition and need immediate attention, or the consequences may prove fatal. Dr. David Kennedy's Favorite Remedy is the one medicine that really cures all diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation, and it will take you but a short time to convince yourself of its wonderful curative power.
G. F. Samner of No. 489 Toga street, Syracuse, N. Y., in a recent letter says: "I was afflicted for years with severe pains in my back and kidneys. I tried many doctors and many medicines, but got no relief. I bought a bottle of Dr. David Kennedy's Favorite Remedy and it has entirely cured me."
It is for sale by all druggists in the New 50 Cent Size and the regular \$1.00 size bottles—less than a cent a dose. Sample bottle—enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N. Y.
Dr. David Kennedy's Cherry Balsam best for Colds, Coughs, Consumption. 25c, 50c, \$1.00.

O. S. U. Beats Case.
Columbus, May 2—Seven hundred enthusiastic fans shouted themselves hoarse yesterday afternoon as the O. S. U. team took the Case team of Cleveland into camp by a score of 7 to 4. It was easily the most exciting game played in enclosed grounds in Columbus this season.
Captain Atkinson's men won the game because they played better ball in the field and worked together at the bat. Twelve hits were made off Baker, the case pitcher, and only four of them were out of the infield, the rest being bunts.
The visitors were clearly weak on bunts and the O. S. U. players worked on the weakness and won the game by heady playing.
Noodles Felger was in the box for the O. S. U. team and pitched the most wonderful game that has been twirled in the state college games of the state this year. He struck out 12 men and had his opponents at his mercy all the time. In the fourth and sixth innings he struck out eight out of nine men that were retired in the fourth, fifth and sixth innings. Eight hits were made off his delivery, but six of them were of the scratch variety. Rescu being the only batter able to find the ball in any other manner than by accident.
From a comparison of Denison's defeat of Case, 15 to 1 and O. S. U.'s victory 7 to 4, the Granville lads have the Columbus players badly beaten. Baseball dope is uncertain and unreliable, but the comparative showing of Denison and Ohio State is a cause for great rejoicing on the part of the former's adherents.

Mrs. Helena Blav, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes: "Wine of Cardui is certainly 'worth out' women's best friend and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman." A million suffering women have found relief in Wine of Cardui.

MRS. SPRINGER

A Former Newark Young Woman Entertains in Honor of Russian Pianist at Chicago

"Elite" a weekly society journal of Chicago, contains in the last number the following concerning Mrs. Warren Springer, formerly Miss Marguerite Maginness of this city:

"On last Saturday evening Mrs. Warren Springer entertained in honor of the young and famous Russian pianist Ossip Gabrilowitsch. She gave a box party at the opera where her guests tremendously enjoyed Aida and followed it by a coturne supper at the Annex served from a beautifully laid table. Mrs. Springer is one of the most beautiful women seen at the opera during the season. She was regal that evening in a gown of mauve velvet richly embroidered decollete bodice and wearing pearls. Mr. Gabrilowitsch was frank and full of happy—almost joyous—spirits. He regretted his good-bye to Chicago and anticipated with pleasure his return here after an interval of two years. There is a whisper, however, that he will be heard once more in this city before sailing for Russia on the "Kronprinz Wilhelm" for Europe. This occasion however, is to be a benefit concert. The men of Mrs. Springer's party were native to Russia.

"Those in the party were the Prince and Princess Engalitcheff, Baron Schlippenbach and Captain and Madame Butakoff of Washington, with Mr. Hansen, first secretary of the Russian embassy at Washington."

This notice in "Elite" was accompanied by a very handsome full page half tone portrait of Mrs. Springer.

The Chicago Evening Post says: "The most interesting social happening of today was the annual luncheon of the Chicago Chapter. Daughters of the Revolution which took place at the residence of Mrs. Warren Springer, 85 Rush street. The decorations were buff and blue colors of the continental uniform. There was a path of rose petals from the drawing room to the dining room. The following committee was appointed to attend the national convention to be held at the Waldorf-Astoria Hotel, New York, May 10: Mrs. Willard T. Block, Mrs. William Plummer, Mrs. H. O. Hoops, Mrs. John Vance Cheney, Mrs. Warren Springer and Mrs. E. B. Sackett."

Thousands can testify to that. Mrs. C. B. VanMeter of Shepardsville, W. Va., says: "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely."

It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by Frank D. Hall, druggist. Regular sizes 50c. and \$1.00.
